

Samaritans Update: Samaritans continues to help those in need during these challenging times thanks to your ongoing generosity. The regular groups that provide lunch to Faith Kitchen and dinner to Homeless Solutions on set days each month have continued to deliver food in accordance with adjusted guidelines from the respective organizations. Thank you to those who have mailed checks to Resurrection in support of those groups.

In addition, Scrip shopping card purchases can be arranged for anyone interested. Please contact Tammy (973-895-4224 x109 or tmccconnell@resurrectionparishnj.org) to sort out logistics. There is some inventory on hand; and orders can be placed, as needed. Thank you to those who have purchased Scrip shopping cards for local grocery stores to donate to food pantries in the area, including Hope House's Food Pantry, Randolph Township's food pantry, and Interfaith Food Pantry of Morris County. If anyone has questions about how to help one of these organizations, feel free to reach out.
